Notes for Maria (Mary) Margherita Elena LoDico:

Maria (Mary) married Americo Faiella and lived at 15 Newton St., Mansfield, Mass. with Americo at her father Ignazio's house according to the 1920 census.

My Aunt Mary once told me of the story of her arrival at Ellis Island as a child of 10. She recalled being separated along with her sister Giovanna (Jenny) from her mother Francesca and baby brother Vincenzo by a doctor. They both had eye infections. She recalled every morning the doctor would take her to the window and reach in his lab coat for a small green stone. He would then rub it across her eye. This was very painful and made her cry. One day while at lunch, she spotted her mother across the crowded hall. The family was finally reunited.

Years later, while watching a special show on Ellis Island, they spoke of an common eye infection by emigrating Italians. Called 'Mediterranean Eye' or Trachoma, a doctor would treat the encrustation around the eye by rubbing a small jade colored bar of medicine (copper based] on the eye. After a few weeks the infection was reduced and emigration was allowed.
